PREAMBLE

The San Benito County Water District (“District”) and Service Employees International Union Local 521 (“Union”) jointly agree to the following terms of this Memorandum of Understanding, and agree that the provisions contained herein shall be recognized as the sole statement of contractual rights and obligations between the two parties.

ARTICLE 1 - PARTIES TO THE AGREEMENT

This Memorandum of Understanding has been executed by a representative of the San Benito County Water District, hereinafter referred to as the District, and by representatives of the SEIU, Local 521, hereinafter referred to as the Union.

The District will print copies of the contract within thirty (30) days of ratification and adoption by the Board. The District shall provide a copy to each employee represented by the Union and to new hires during orientation. An electronic copy in WORD and PDF shall be provided to the Union.

ARTICLE 2 – DISCRIMINATION

The District, or any agent thereof, agrees that there will be no interference, restraint, or coercion against the Union or any employee because of Union membership or Union activity.

The Union, or any agent thereof, agrees that there will be no intimidation, coercion or interference against the District or any of the District’s employees or agents.

There shall be no discrimination by the Union or the District, or any agent of either of them, because of race, color, creed, national origin, sex, disability, religious or political beliefs, or any other legally protected classification, and each party will comply with the Federal Age Discrimination Employment Act of 1967.

ARTICLE 3 - OFFICIAL REPRESENTATIVES

The Union agrees to maintain and provide the District with a current, written list of its duly authorized representatives and officers, which shall constitute the solely recognized group of individuals with whom the District may conduct District/Union business. The Union will also provide the District with timely written notice of any changes, and only such written notice will be considered as valid notice to the District.

ARTICLE 4 – RECOGNITION

The Union is hereby acknowledged as the recognized employee organization for the purpose of meeting and conferring in good faith under the provisions of Section 3500 et seq. of the Government Code of the State of California. The job classifications included in the Field and Office Employees Representation Unit are listed in Appendix B.

ARTICLE 5 - DISTRICT RIGHTS

The rights of the District include all matters of general managerial policy, including but not limited to the exclusive right to set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or other legitimate reasons; maintain the efficiency of District operations; determine the methods, means and personnel by which District operations are to be conducted; contract for or subcontract any work or operation of the District; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work. Nothing in this MOU is intended to or shall be construed to restrict or limit in any way the aforesaid District rights or any rights reserved to the District, the Board, the Manager or other authorized agents as specified in applicable provisions of State law including the California Water Code.

ARTICLE 6 - UNION RIGHTS

The Union agrees that it will not enter onto District property or hold meetings on District property without the prior approval of the General Manager or designee. The Union agrees that access to District properties must be restricted to prevent disruption to District operations and due to safety and security requirements. The Union acknowledges that the District has limited authority regarding access to certain properties required for District operations.

6.1. REPRESENTATION:

The Union has the exclusive right to represent employees in the representation unit as specified by State law and pursuant to the District’s Employer Employee Relations Resolution. The Union will notify the District and maintain such notice during the term of this Agreement of its elected officers and directors as well as its staff employees.

The Union may select up to two (2) persons, in addition to its staff members to act as official representatives and will notify the District as to those individuals so selected.

Official representatives shall represent the Union in jointly scheduled meetings with the District to address matters within the scope of agreement. Union official representatives who are District employees may utilize time during normal working hours for meeting and conferring with authorized representatives of

the District subject to advance scheduling. Such meeting will normally be scheduled during regular working hours.

6.2. STEWARD PROGRAM:

Union stewards shall mean permanent employees within the bargaining unit, who are members of and are designated by the Union to assist employees for the purposes of processing grievances. The Unit may select up to two (2) stewards.

The Union agrees to notify the District in writing of the names and titles of the steward(s) representing employees and shall send a timely copy of such notice to the General Manager. Changes to the listing of stewards will be provided by the Union as they occur. Only employees named on the current list will be recognized by the District as stewards of the Union.

6.2.A. Stewards shall have the right to serve as a representative for employees in grievance matters in accordance with the grievance and disciplinary appeals provisions of the Agreement. No more than one (1) steward may assist in the investigation or processing of a grievance.

6.2.B. Before performing grievance and disciplinary appeal work, the steward will obtain the permission of their supervisor and shall report back to their supervisor when the grievance or disciplinary work is completed. Where immediate approval is not granted, the supervisor shall inform the steward of the reasons for the denial and establish an alternate time when the steward can reasonably be expected to be released from their work assignment.

6.2.C. After receiving approval of their immediate supervisor, a steward shall be allowed reasonable time off during working hours, without loss of time or pay, to investigate and present such grievances and appeals. The immediate supervisor will authorize the steward to leave their work only when the supervisor determines that the steward's absence will not interfere with the work of the unit.

6.2.D. When a steward desires to contact an employee, the steward shall first contact the immediate supervisor of that employee, advise of the nature of the business, and obtain release by the supervisor to meet with the employee. When, in the best judgment of the supervisor, the investigation would interfere with the work of the unit, the supervisor will notify the steward when they can reasonably expect to contact the employee.

6.2.E. Stewards shall receive no overtime for time spent performing a function of a steward.

6.2.F. Stewards shall not conduct Union business on District time, except as specifically authorized by this Memorandum of Understanding.

6.2.G. Stewards shall be responsible for the full and prompt performance of their work assignments.

6.2.H. Stewards may represent employees against whom disciplinary action is pending subject to the following restrictions:

6.2.H.1.The steward agrees that the issues, which gave rise to the proposed disciplinary action, are confidential in nature and will not be discussed with other employees, representatives or the news media, or others who do not have a direct need to know the details of the proposed discipline. The District may refuse to recognize or to deal with a steward who violates this confidentiality.

6.2.H.2.District management may require that disciplinary representation in a particular disciplinary appeal only be accorded through stewards who are also employees of the same department or by a Union staff representative.

6.3. DUES DEDUCTION

6.3.A. Employees will receive a written evaluation and review annually. Employees may attach a response to a performance evaluation.

An employee who receive an "exceptional" overall rating on their performance evaluation may receive a double step increase, subject to the approval of the General Manager.

For employees hired before July 1, 2020, upon death, retirement, resignation, or separation by layoff (occurring after ten (10) or more District years of service), up to one thousand forty (1040) hours of accrued Sick Leave shall be paid to the employee or the employee’s estate at the rate of fifty percent (50%) of the equivalent cash value. All accrued Sick Leave beyond one thousand forty (1040) hours, shall be paid off at the rate of twenty-five percent (25%) of the cash value.

For employees hired before July 1, 2020, upon death, retirement, resignation or separation by layoff (occurring after ten (10) or less District years of service), up to five hundred twenty (520) hours of accrued Sick Leave shall be paid off at the rate of twenty-five percent (25%) of the cash value. Accrued Sick Leave beyond five hundred twenty (520) hours shall be paid off at the rate of twelve and one-half percent (12.5%) of the accrued cash value.

Tier Two For employees hired on or after July 1, 2020:

For employees hired on or after July 1, 2020, upon death, retirement, resignation, or separation by layoff (occurring after ten (10) or more District years of service), up to one thousand forty (1040) hours of accrued Sick Leave shall be paid to the employee or the employee’s estate at the rate of twenty-five percent (25%) of the equivalent cash value.

For employees hired on or after July 1, 2020, upon death, retirement, resignation or separation by layoff (occurring at least five (5) but less than ten (10) District years of service), up to five hundred twenty (520) hours of accrued Sick Leave shall be paid off at the rate of twenty-five percent (25%) of the cash value.

An employee, upon retirement, may convert unused Sick Leave to added service credit under CalPERS.

If an employee separates and is rehired within one (1) year from separation, the unpaid balance of accrued and unused sick leave at the time of separation will be reinstated. An employee who worked at least ninety (90) days in the initial employment with the District may immediately use reinstated sick leave. An employee who had not worked ninety (90) days in the initial employment with the District must work the remaining amount of the ninety (90) day qualifying period to be able to use accrued sick leave.

13.4. INDUSTRIAL INJURY LEAVE:

If an employee is unable to perform assigned duties by reason of industrial injury, sickness or disability, as defined in the Workers' Compensation Act of the State of California, the employee shall notify their Supervisor within twenty-four (24) hours from the date of discovery of such injury, sickness or disability. In job related cases of injury, sickness or disability, the employee shall receive the regular salary for the first forty (40) hours of such disability; provided, however, that any Workers' Compensation benefits received for this initial forty (40) hour period shall be assigned to the District. At the end of this forty (40) hour period, and if unable to resume work, the employee may elect to receive payment of any accumulated sick and/or vacation leave benefits, until such benefits are exhausted, or to receive Workers' Compensation benefits.

If the employee elects to use sick or vacation leave benefits, all Workers' Compensation benefits received shall be assigned to the District. This election shall be made in writing and submitted to the District prior to the payment of any sick leave or vacation benefits. Prorated credit to the employee's sick leave balance at the employee's current rate of pay shall be made based upon the amount of monies assigned to the District from Workers' Compensation benefits.

The period covered by industrial injury leave shall be considered as service time in determining eligibility for salary increases, sick leave and vacation benefits.

All provisions of the Workers' Compensation Act of the State of California shall be strictly adhered to.

13.5. BEREAVEMENT LEAVE:

In the event of a death in the immediate family (i.e. parent, parent-in-law, step-parent, grandparent, step-grandparent, grandchild, step-grandchild, child, step-child, sibling, step-sibling, spouse or registered domestic partner), employees shall be entitled to Bereavement Leave of up to three (3) days with pay.

If it is necessary for additional Bereavement Leave due to individual circumstances, the employee may extend their leave for up to two additional work days. Additional days in excess of five (5) work days may be granted upon request and approval from the employee's supervisor. Any additional time off in excess of three (3) days of Bereavement Leave will be charged against the employee's paid leave, or may be taken without pay.

Upon request from the District, the employee will provide documentation verifying the death within thirty (30) days of the first day of bereavement leave.

13.6. PERSONAL LEAVE:

Tier One: Eligible employees hired before July 1, 2020 will be granted the equivalent of ten (10) days (80 hours) of Personal Leave per year for use at the employee's discretion. For Tier One employees, personal Leave will accrue on a monthly basis at a rate of 6.6667 hours per month.

Tier Two Eligible employees hired on or after July 1, 2020 will be granted the equivalent of two (2) days (16 hours) of Personal Leave per year for use at the employee's discretion. For Tier Two employees, personal Leave will accrue on a monthly basis at a rate of 1.3333 hours per month.

For Employees in Tiers One and Two:

To be eligible to earn and use Personal Leave, an employee must have successfully completed six (6) consecutive months of employment.

An employee's annual Personal leave will be subject to notice as follows:

Employees will request Personal leave of three (3) days or less at least one week in advance, except as approved by the General Manager. Employees will request Personal leave of more than three (3) days at least fourteen (14) days in advance, except as approved by the General Manager.

When using Personal Leave, employees must use a minimum of one-quarter of an hour; additional amounts of Personal Leave on the same occasion may be used in quarter (1/4) hour increments.

At the end of each calendar year (pay period 26) all conserved Personal Leave not used during that year will be converted to Sick Leave and carried over to the following year; however, an employee may retain up to eight (8) hours of Personal Leave for use as Personal Leave in the following calendar year.

ARTICLE 14 - LEAVES WITHOUT PAY

14.1. GENERAL PROVISIONS:

Leaves without pay shall be granted as outlined below, provided however, that:

14.1.A. A leave may be revoked upon evidence that the cause for granting it was misrepresented or has ceased to exist.

14.1.B. Except as expressly required by law, the period covered by a leave without pay shall not be considered as service time in determining eligibility for vacation, sick leave, health and welfare benefits (including the flexible spending amount) salary increases, or other circumstances where service is a factor;

14.1.C. Leave without pay granted to a probationary employee shall not be credited toward completion of the employee's probationary period;

14.1.D. All accrued vacation must be used or, at the option of the District, the monetary value of all accrued vacation must be paid to an employee before a leave of absence without pay can be granted, excluding leave granted for maternity or medical purposes; and

14.1.E. An employee's anniversary date for the purpose of performance evaluation and accompanying step increases shall be adjusted if an employee takes leave without pay of more than eighty (80) hours in one year.

14.2. UNPAID PERSONAL LEAVE:

A leave without pay may be granted by the District, not to exceed six (6) months, for urgent or substantial personal reasons, including illness not covered by sick leave. Such leave may be extended by the District for a further period not to exceed three (3) months in exceptional circumstances with approval of the Board of Directors. To the extent legally protected leaves apply, they shall run concurrently with unpaid personal leave.

14.3. INSURANCE BENEFITS DURING UNPAID LEAVE:

Except as noted herein or required by law, an employee is not eligible for District contributions toward Flexible Spending Account during leaves without pay. An employee may make such payments to the District for desired insurance coverage under the conditions as may be established by the insurance carrier.

Employees on maternity leave (inclusive of Pregnancy Disability Leave) without pay will be eligible for full District contributions toward health and welfare insurance (including District contributions to CalPERS for PEMHCA participation and the Flexible Spending Account) and basic life insurance for the first six (6) month period of such leave. After expiration of a six (6) month period of such leave, an employee may make such payments to the District for desired insurance coverage. In the event of an industrial injury or illness, the District will pay the PEMHCA and Flexible Spending Account contributions in accordance with State Workers' Compensation requirements.

ARTICLE 15 – RETIREMENT

The District shall continue to participate in the Public Employees Retirement System (PERS) with benefits as currently provided or with such changes and benefits as may be mandated by law or as agreed to by the District.

15.1. TIER ONE:

For eligible employees hired before January 1, 2013, or hired after January 1, 2013 who meet the definition of "classic members" as defined by CalPERS, the District shall continue to participate in its Miscellaneous Plan Agreement with CalPERS to provide the 2.5% at 55 retirement option. Effective July 3, 2017, Tier One employees shall pay the rate prescribed by CalPERS for member contributions in accordance with the rules and regulations governing such member contributions.

15.2. TIER TWO:

For eligible employees who meet the definition of "new member" as set forth in Government Code Section 7522.02(f) the District will provide the CalPERS two percent (2%) at age sixty-two (62) formula retirement plan in accordance with Government Code Section 7522.20, based on the average of three years of employment, in accordance with Government Code Section 7522.32. New members shall be subject to the provisions of the Public Employee Pension Reform Act (PEPRA), including provisions governing reportable compensation.

Employees in Tier Two Pension shall pay the rate prescribed by CalPERS for employee contributions to the Public Employees' Retirement System in accordance with the rules and regulations governing such employee contributions, which consists of one-half of the total normal costs for pension. New members shall be subject to the provisions of the PEPRA, including provisions governing reportable compensation.

ARTICLE 16 - SAVING CLAUSE

If any provision of this M.O.U. shall be found to be invalid by a court of competent jurisdiction, or otherwise prohibited by law, the remainder of the policy shall not be affected.

ARTICLE 17 – GRIEVANCE PROCEDURES

17.1. CREATION AND AUTHORITY:

When requested, the Union shall have full authority to represent any member and settle any grievance.

17.2. CONDITION:

The District agrees to meet with the grievant, or when requested, the Union or its designated representative, on any grievance in accordance with the provisions of this Section. Such meetings, including travel time, when held during normal scheduled working hours, shall be without loss of pay.

17.3. PURPOSE:

17.3.A. This grievance procedure shall be used to process and resolve grievances arising under this MOU.

17.3.B. The purposes of this procedure are:

17.3.B.1. To resolve grievances informally at the lowest possible level; and

17.3.B.2. To provide an orderly procedure for reviewing and resolving grievances promptly.

17.4. DEFINITIONS:

17.4.A. A grievance is a good faith complaint of one or a group of employees, or a dispute between the District and the Union involving the interpretation, application, or enforcement of the express terms of this MOU. No matter shall be considered as a grievance under this Article unless it is presented within thirty (30) calendar days of when a reasonable person knew or should have known of the events on which the grievance was based. Discipline, performance evaluations, and complaints of harassment, discrimination and retaliation based on a protected class are not grievable.

17.4.B. As used in this procedure, the term “supervisor” means the individual who assigns, reviews and directs the work of an employee.

17.4.C. As used in this procedure, the term “party” means an employee, the Union, the District or their authorized representatives.

17.4.D. The employee retains all rights conferred by Section 3500 et seq., of the Government Code.

17.5. STEP ONE:

An employee who believes they have cause for grievance may contact their supervisor with their representative or may contact their supervisor alone. The supervisor shall provide a verbal response and the reasons therefore within seven (7) working days after hearing the employee’s grievance. If, after discussions with the supervisor, the employee does not feel the grievance has been properly adjusted, the grievance shall be reduced to writing within seven (7) working days after receipt of the supervisor’s verbal response.

17.6. STEP TWO:

If the grievance is not resolved under Step One of this procedure, and the employee elects to process a written grievance, the grievance statement shall include the following:

17.6.A. A statement of the grievance clearly indicating the question raised by the grievance and the article(s) and section(s) of this MOU which the grievant claims has/have been violated.

17.6.B. The remedy or correction requested of the District.

17.6.C. The grievance form shall be signed by the grieving employee, the date and time of presentation affixed thereto, and signed as received by the employee’s supervisor or designated representative.

The grieving employee's immediate supervisor or designated representative will give their answer to the grievance in writing within seven (7) working days from the time they received the grievance in writing. The supervisor's answer shall include the following:

17.6.C.1. A complete statement of the District's position and the facts upon which it is based.

17.6.C.2. The remedy or correction which has been offered, if any.

17.7. STEP THREE:

If a satisfactory settlement is not reached with the immediate supervisor or designated representative, the grievant may submit the matter in writing within seven (7) working days to the General Manager, or designated representative, who shall have full power and authority to settle the grievance. The employee and the designated representative of the District shall meet to hear the grievance appealed to the third step. Grievances appealed to the third step of the grievance procedure shall be in writing stating the grievant's position and shall be heard within seven (7) working days after the appeal to the third step of the grievance procedure. A written answer shall be made within seven (7) working days after the hearing, stating the District's position. General Manager's decision shall be final.

17.8. STEP FOUR:

If the grievance is not resolved after Step Three, the grievance may be submitted to mediation. A request for mediation may be presented in writing to the General Manager within seven (7) calendar days from the date a decision was rendered at Step Three. As soon as practicable thereafter, or as otherwise agreed to by the parties, a mediator shall hear the grievance. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal and shall be considered advisory.

The Mediator shall, in cases where the matter is not resolved, be authorized to submit an advisory opinion to the parties. This opinion shall be confidential.

ARTICLE 18 - PAST PRACTICE

The parties agree that they shall adhere to established labor relations' principles in handling past practices issues within the scope of representation:

18.1. Past practices superseded by revised MOU language are null and void;

18.2. Past practices which contradict existing MOU language or written District rules shall be null and void upon reasonable notice from the District that the language will be followed;

18.3. Past practices within scope which are not covered by MOU language or District rules shall remain in effect through the term of the MOU unless the District has given notice and met and conferred.

ARTICLE 19 - PEACEFUL PERFORMANCE OF DISTRICT SERVICES

Participation by any employee in a strike or work stoppage is unlawful and shall subject the employee to disciplinary action, up to and including discharge.

No employee organization, its representatives or members, shall engage in, cause, instigate, encourage or condone a strike or work stoppage of any kind.

If a recognized employee organization, its representatives or members engage in, cause, instigate, encourage or condone a strike or a work stoppage of any kind, in addition to any other lawful remedies, the employee relations officer may suspend or revoke the recognition granted to such employee organization, and prohibit the use of bulletin boards, prohibit the use of District facilities and prohibit access to work or duty stations by such organization.

As used in this section "strike or work stoppage" means the concerted failure to report for duty, the willful absence from one's position, the stoppage or slow-down of work or the abstinence in whole or part from the full, faithful performance of the duties of employment for the purpose of inducing, influencing or coercing a change in the conditions of compensation or the rights, privileges or obligations of employment.

Any decisions of the employee relations officer made under this paragraph may be appealed to the Board of Directors by filing a written Notice of Appeal with the employee relations officer accompanied by a complete statement, setting forth all of the grounds upon which the appeal is based. Such Notice of Appeal must be filed within seven (7) business days after the affected employee organization first receives notice of the decision upon which its complaint is based, or its complaint will be considered untimely and not subject to impasse procedures or any other appeal.

ARTICLE 20 – LABOR MANAGEMENT COMMITTEE

**AGREEMENT BETWEEN THE SAN BENITO COUNTY WATER DISTRICT AND THE
SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 521**

This Agreement is made by and between the San Benito County Water District (hereafter collectively "District") and Service Employees International Union, Local 521" on the 28th day of August, 2007.

Whereas, in 2007 the District certified SEIU, Local 817 as the exclusively-recognized employee organization for employees working in classifications in the General Employees Unit;

Whereas, in June 2006, the International Executive Board of the SEIU decided to charter four new public sector local unions, and proposed that existing public sector local unions be merged into the new locals, based upon geographical relationships;

Whereas, on January 2, 2007, the SEIU President issued charters to the newly-established Local Unions, including Local 521, and directed Local 817 to be reorganized into Local 521;

Whereas, in March 2007, Local 521 informed the District that it was assuming the duties and responsibilities of Local 521 and that Local 817 no longer existed;

Whereas, in March 2007, the District notified Local 521 and Local 817 in writing, that its employee-employer relations resolution did not contain any provisions regarding amendment of certification because of merger, amalgamation, affiliation or transfer of jurisdiction, and that Local 521 and Local 817 should petition the Public Employee Relations Board (PERB) under PERB regulations 61300 and following to amend the Local 817 certification to Local 521;

Whereas, a letter dated June 7, 2007, from legal counsel for SEIU, Local 521, do not respond to the District's suggestion to petition PERB, but instead describes how members of Local 817 received due process as to the reorganization to Local 521 through secret ballot election and that the election results were: 31,408 in favor of reorganization, 4,256 votes against, and 88 challenged ballots;

Whereas, the June 7, 2007 letter from legal counsel for SEIU, Local 521 states that there is a substantial continuity of representation between Local 817 and Local 521 because, under the SEIU reorganization plan, Local 521 will assume all of the rights and duties of the collective bargaining agreement between Local 817 and the District, and will maintain the current representational structure, stewards, Chief Stewards, and professional Union representatives;

Whereas, legal counsel for Local 521 has affirmed in the letter, dated June 7, 2007,

that all District employees previously represented by Local 817, will be represented by Local 521, will be granted full membership in Local 521, and will carry with them their prior union membership status without the need of any initiation fee or preliminary requirements;

Whereas, Local 521's legal counsel provides authorities in the June 7, 2007 letter support of its claim that Local 817 members received full due process as to the reorganization and that Local 521 has preserved substantial continuity of representation with Local 817, in the view of the District the authorities that Local 521's legal counsel cite do not specifically address a situation similar to the SEIU reorganization plan; and

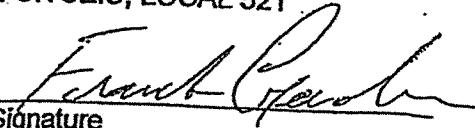

Whereas, the District's interests are: a) ensuring that its employees all rights due them under the law; and b) fully complying with its responsibilities under the Meyers-Milias-Brown Act (MMBA), Gov. Code §§ 3500 and following.

NOW THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. All of the recitals above are material provisions of this Agreement.
2. Local 521 hereby agrees to defend, indemnify and hold harmless the District and its officers and employees from any unfair practice charge, claim, loss, legal action, liability or cause of action or administrative proceeding, liability, damages, costs, expenses, actual attorneys' fees, consultant fees, expert fees, losses or liability, in law or in equity, suit, or judgment of any nature whatsoever (hereafter "claim") arising out of the City's exclusive recognition of Local 521 as the successor employee organization to Local 817, as described in this Agreement. Local 521's indemnity and liability obligation is more fully set forth as follows:
 - A. Local 521 shall defend, indemnify and hold harmless the District and its District Board of Directors, officers, agents, attorneys, and employees from any claim, arising out of the operation of the District's amendment of the Local certification of exclusive employee organization to Local 521. Upon commencement of any such claim, Local 521 shall have the right to decide and determine whether any claim made or brought against the District or the District-affiliated persons identified above shall or shall not be compromised, resisted, defended, tried or appealed. Any such decision on the part of Local 521 shall not diminish Local 521's defense and indemnification obligations under this Agreement.
 - B. The District, immediately upon receipt of notice of such claim against it or any of its District-affiliated parties shall inform Local 521 of such claim, provide Local 521 with all information, documents, and assistance necessary for Local 521's defense or settlement of such claim and fully cooperate with Local 521 in providing all necessary employee witnesses and assistance. The cost of any such assistance or legal defense shall be paid by Local 521.

- C. Local 521, upon its compromise or settlement of such claim shall timely and directly pay the parties to such claim all such sums due under such settlement or compromise, without any contribution from the District. Local 521, upon final order and judgment of a Court of competent jurisdiction awarding damages or costs, shall pay all sums owing under such order and judgment, without any contribution from the District.
3. The Service Employees International Union (SEIU) will indemnify and hold harmless the San Benito County Water District (SBCWD) against any claim or causes, unfair labor practice charge, liability or costs brought against the SBCWD relating to the recognition of SEIU 521 as referenced in the Memorandum of Understanding between the parties.
 4. In exchange for its promises under this Agreement to defend and indemnify the District, the District agrees to the request of Local 521 to be recognized as the successor to Local 817 with respect to the employees presently represented by Local, effective as of the date this Agreement is fully executed.
 5. This Agreement constitutes a single integrated contract expressing the entire Agreement of the parties hereto. This Agreement shall supersede, and render null and void, any and all prior agreements between the parties hereto, concerning the subject matter thereof.
 6. The Agreement is deemed to have been drafted jointly by the parties. Any uncertainty or ambiguity shall not be construed for or against any party based upon attribution of drafting to any party.
 7. This Agreement shall be admissible in counterparts. All executed copies are duplicate originals and are equally admissible in evidence in any proceedings to enforce this Agreement or to defend against any other proceedings related to the terms of this Agreement.
 8. The undersigned represent, warrant, and affirm that each has authority to bind its principals to this Agreement.
